NOTICE OF ADVERSE BENEFIT DETERMINATION

Date of notice: September 22, 2026

Member: Dana R. Whitfield | Date of birth: 03/14/1988

Requesting provider: Elena M. Castellanos, MD, Linden Creek Neurology Associates

Reference number: A-2048

Service requested

Erenumab-aooe 70 mg subcutaneous injection, once monthly, for 12 months. Request received 09/15/2026.

Decision

This request is DENIED.

Reason for denial

Insufficient documentation of prior treatment failure. The information we received does not show that the member completed a trial of a preferred oral preventive medication, or that the trial was ineffective or not tolerated.

Policy applied

Alderpoint Medical Policy MP-RX-014, CGRP Antagonists for Migraine Prevention, Section 3.1. A copy of the policy is enclosed.

Information reviewed

Prior authorization request form dated 09/15/2026 and the pharmacy claims history. No chart notes were received with the request.

Your appeal rights

You or your provider may ask for an internal appeal within 180 days of the date of this notice. Send the appeal and supporting records to Alderpoint Appeals Department, PO Box 0000, Example City, ST 00000, or fax 555-0142. An expedited appeal is available when a delay could seriously jeopardize the member's health.

If the denial is upheld, you may have the right to an independent external review.
